\*1 All players must participate in the same season - even if different sports are involved. Valid seasons are: Spring, Summer, Fall, and Winter.

\*2 League Example: U13, 03 Rookie, 6-8 girls, 13 and Under.

\*3 Discount is based on number of children participating per season. The same child participating in multiple sports in a season is not eligible for discount.

\*4 Registration Fee: Put in the normal amount of that league's registration. Use the registration amount that was in effect when the family applied (early, regular, late). When form is received discount will be calculated and you will be notified of the credit applied.
